Exploring the Heart of Business:

An evening event hosted at **Easneye House, All Nations Christian College** and supported by Christ Church Ware, **on Tuesday 21st November, starting at 7.45pm for 8.0pm.** Martin Rich is the Co-founder and Executive Director of the Future-Fit Foundation, which provides a science-based approach to encourage businesses to be environmentally restorative, socially just and economically inclusive. He will be outlining this approach and the challenges of building a better business culture. He will also be sharing at a more personal level how his Christian faith motivates his work and provides the context for understanding what is good in business and how to make a positive impact. Please contact either Martin or Peter Hanney to let us know if you are hoping to attend or if you would like any further information. This event is part of a new initiative called the 'Easneye Business Network' which aims to explore calling, discipleship and mission for those seeking to live out their faith in the world of business.
