Media Shout is a valuable resource and an integral part of the 11 am and SEVEN services. BUT - We are currently down to only three people trained to operate media shout for the 11 am services, and two for the SEVEN services. We need to train more operators to cover our services, and possibly extend cover to the 9.15 services. Would you be interested in learning to operate Media Shout? If so, speak to Martin Dudley.

We would love to encourage more people to write for our Quarterly Church Magazine. There's lots going on in the church and it would be great to hear about more of it. You may have something to say, or you may know of someone else with a great story to share. Anything from updates on your particular groups, to poetry, how God has been encouraging you, to just about anything, as long as it's of interest and relevant to our church family. The next deadline is Friday 2nd March. Please send any articles in the first instance to Martin: manager@christchurchware.co.uk Looking forward to hearing about all that's going on!

God's work at Christ Church is funded entirely by our Church family. We encourage planned giving and do not "pass a plate". If you would like to make a gift to our ministry, please leave it in the boxes at the rear of the church. –envelopes are available for Gift Aid purposes. If you would like more information about giving to the work here, please see the leaflet available on the Welcome Desk.

We are looking for volunteers to join our Grant Finding Team- could you help us. We need folk to complete applications for grants for the development project. We will give your target organisations and support you in preparing application. You need to be able to use a computer, think a little outside the box and have some time to complete the applications. If you would like to know more, offer to help or have questions please talk to Elaine Gold, Steve Elliott or Martin Dudley.

Did You Sleep Well?

The next Easneye Business Network event will be on Tuesday 13th March, starting at 7.45pm for 8pm at All Nations Christian College. The evening will be led by Dan Collins, the founder of Fresh Tracks. Dan has spent 25 years exploring why some teams and leaders outperform others. He's concluded that all of us would do better if we could manage our sleep more effectively. For more information please contact Peter Hanney on 07968 990496, look at the Events page on www.allnations.ac.uk or visit www.SleepNews.info
